WorkForce Software Solutions

Labor Forecasting

Customer Objectives

- Improve visibility, efficiency and control of schedules and data, like labor costs and open shifts
- Schedule associates across multiple locations
- Integrate with current time & attendance platform on a large, complex scale

The Solution

- Optimized scheduling processes with WorkForce Labor Forecasting®
- Sixty days to roll out to 4,600 stores in 31 states

Key Benefits

- Reduced overtime by 7% resulting in \$1.5 million savings per year
- Increased sales and customer service levels driven by consistent and improved scheduling
- Enhanced work-life balance for pharmacists now empowered to manage availability and dial in from personal devices to check schedules

8,000+
